Penske truck and pit crew all ready to go (New faces in the pit crew – great to see)

\*Tickets to NJBF at Montclair:

We have 400 tickets – we must sell 240 to not lose money (anything over 240 is money back to us – a great fundraiser)

We would like to make each student responsible for the sale of 2 tickets (total of \$16) this ensures us the minimum sale number and helps raise money for future endeavors.

Letters will go out within the next week – Joanne will write the letter and Dawn will print and stuff envelopes while Debbie created address labels of the band. Everyone volunteered to help stamp and label envelopes.

Email to go out about pregame ticket prices and parking price.

Discount Cards –sales going well

Another local school copied our layout so to end any confusion we plan to revamp discount cards for next year with a possible tri-fold. Dawn looking into this

Donation to Howards Mission Possible- the WPMB donated all the misprinted clothing to Howards Mission Possible to be handed out to people in need.

There is an opportunity to purchase a mellophone in excellent condition for only \$600 (less than half price of a new one) We have the funds and would like to purchase this for the band.

---

\*\*Agenda change- NJBF tickets will not be sold by each student. We will sell them at the upcoming rehearsals or take orders from forms found online and in the band room. Joanne will set up the sales and everyone else volunteered to help when needed to sell or hand out tickets. Paul will send out email to parents informing them when and how they can purchase tickets.
